

GREGORY P. DESART, P.E., C.E.M.

President/Owner of Geotechnical & Environmental Services, Inc.

ACEC (American Council of Engineering Companies) recently named Mr. DeSart National Director of ACEC-Nevada. As the National Director, Mr. DeSart will vote on behalf of Nevada on all issues that are decided by the national organization. This includes anything from where the next Conferences will be held to our organization's position on certain national issues, to the dues structure, etc. This essentially means Mr. DeSart will represent Nevada's interests.

To learn more about ACEC visit their website at their website:
