**Geotechnical & Environmental Services Names  
Laura Dembinski Entry Level  
Engineering Lab Technician**

LAS VEGAS - Geotechnical & Environmental Services, Inc. (GES) president Greg DeSart announced Laura Dembinski has been named Entry Level Engineering Field Technician for the GES Las Vegas office. In her position Dembinski will be responsible for processing and testing soil samples.

“We are proud to welcome Dembinski to our team. Her experience and determination will be assets to GES,” said DeSart.

GES is a full-service, southern Nevada engineering firm focusing on geotechnical, environmental, materials testing and construction inspections. In addition, the company offers drilling support for the design, construction and maintenance of public infrastructure and private development. GES is regularly recognized as one of the best companies to work for.
