**Geotechnical & Environmental Services Names
Michael McDevitt Entry Level
Engineering Field Technician**

LAS VEGAS - Geotechnical & Environmental Services, Inc. (GES) president Greg DeSart announced Michael McDevitt has been named Entry Level Engineering Field Technician for the GES Las Vegas and Mesquite offices. In his position McDevitt will be responsible for obtaining and processing soil samples.

“We are proud to welcome McDevitt to our team. His upbeat attitude and mechanical skills will be assets to GES,” said DeSart.

GES is a full-service, southern Nevada engineering firm focusing on geotechnical, environmental, materials testing and construction inspections. In addition, the company offers drilling support for the design, construction and maintenance of public infrastructure and private development. GES is regularly recognized as one of the best companies to work for.
